Dear Parent/Carer,

Current practice in school includes watching daily episodes of 'Newsround'. One recent viewing included a feature about the implications of judging people due to physical appearance. This led to some valuable discussions and debates within classrooms and as a result we have decided that this will be the focus for a PSHE teaching sequence relating to respecting differences, at the beginning of the Spring term.

As a hook to the activities, your child will be watching the acclaimed film, "Wonder" on the afternoon of Monday 7th January 2019, which will form the basis of all the remaining week's subsequent activities, including a piece of writing. Although the film is rated PG, a significant number of staff have already viewed the film, and read the book, and consider the way this issue is approached within both is very appropriate for all our pupils. Should you have any concerns regarding the PG rating, please do not hesitate to contact your child's class teacher who will be pleased to discuss this with you.

Kind regards,

Miss S Melding
